**2.2 - Catering to Student Diversity**

**2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners**

Ans. Due to Covid Pandemic the academic year commenced late. Also, the lectures began in online mode. Teachers and students did not meet face-to-face in this academic year. The exams were also in online and MCQ mode. As a result, there were severe constraints on understanding the cognitive aspects of students. It was only through interactions during online lectures that teachers were able to come to understand the learning levels. So, no special sessions could be conducted specifically for advanced or slow learners. However, through Google Classroom and other Social media platforms, the students were given study material, regular assignments, and class tests. Teachers also guided students and did counseling as in this challenging period; students went through emotional and financial crises. Most students had gone back to their native places due to financial and other reasons, so locating them was difficult at times and sometimes they even faced internet inaccessibility.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Teachers use ICT tools such as screening documentaries, short films and use of PowerPoint presentations to facilitate learning. Field trips for students studying in Arts, Industrial Visits for the students of BSc IT, BAF, Microbiology, Chemistry, and BMM are regularly organised to enhance the learning experience of students. weekly class tests are conducted. Students are encouraged to make presentations, both group and individual; the intra-college competitions are held every year which have literary and academic competition events and teachers guide the students for these.

Specific methods include the following:

- Assigning group projects (Collaborative Learning)
- Problem solving sessions - independently as well as in groups (Independent/Collaborative Learning)
- (Use of ICT)
- Creating interactive sessions in class through discussion, quizzes, and tutorials. (Participative Learning)
- Screening of movies, discussion on books, and games (Experiential Learning)
- Student seminars, participation in festivals, annual exhibitions (Collaborative and Experiential Learning)
- Case Study for Commerce Students

Due to Covid Pandemic the academic year commenced late. Also, the lectures began in online mode. Teachers and students did not meet face-to-face in this academic year. Hence there were several constraints in implementing all the different methods of pedagogy. But above mentioned teaching methods are followed in the normal course of time.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

### Mechanism of Communication:

- The College has clearly stated learning outcomes of the Programs and Courses. The following mechanism is followed by the institution to communicate the learning outcomes to the teachers and students.
- Hard Copy of syllabi and Learning Outcomes are available in the departments for ready reference to the teachers and students

- Learning Outcomes of the Programs and Courses are provided to students in google classrooms & whatsapp groups as well. Syllabi & POs are discussed by teachers in Orientation lectures at the starting of the academic year.
- Soft Copy of Curriculum and Learning Outcomes of Programs and Courses are also uploaded to the Institution website for reference
- The importance of the learning outcomes has been communicated to the teachers in every IQAC Meeting and College Committee Meeting.
- The students are also made aware of the same through Tutorial Meetings.
- Teachers attend the workshops related to syllabus whenever BOS revises the syllabus, in which they gain awareness about POS & PSOs. But since this was the Pandemic year & entire academic year was in Online mode no such workshops were conducted by University of Mumbai.

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

There is a Performance Appraisal System in place for teaching and non-teaching staff of the college. Every faculty member is required to fill in a self-appraisal form at the end of the year. It contains details of the academic, co-curricular and extra-curricular activities done by them during the year. The HODs verify the forms filled and later grades are awarded by Principal based on their performance i.e. very good, good, fair, average and below average.

The Aided staff is required to fill in their Career Advancement Scheme (CAS) format, calculate the Academic Performance Indicator Scores (API) as per UGC guidelines, submit to the IQAC Coordinator and the Principal.

The non-teaching staff is also required to fill in their performance appraisal form and submit it to the principal of the college who in turn gives a confidential assessment report regarding ability and character as per format with grades i. e. Very Good, Good, Fair, Average and Below Average. All these reports are confidential in nature and are shared by the principal with management only. On the basis of their appraisals, suggestion for improvement are given by the Principal. Daily teaching records is checked by the principal on regular basis

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

**Title:** Innovative services provided by the library during COVID-19 pandemic situation.

#### Objectives

1. Online library services
2. E-resources using ICT tools

#### The Context

Library provided the latest e-resource services and facilities to the students.

#### The Practice

QR code based e-library facilities, Vidya-Mitra, EPG Pathshala, N-List, Web- OPAC.

#### Evidence of Success

The total number of students were approximately 350 enrolled for accessing the library e-resources.

#### Problems Encountered and Resources required

Students were not familiar with various ICT tools and technology and using E resources.

#### Title of the practice:

#### Online Teaching- Learning Methods

#### Objectives:

To make learning an accessible and inclusive approach in online mode while maintaining standards of quality education during pandemic.

#### The Context:

Learners' curiosity and excitement to learn new technology to be tapped in order to increase digital literacy and create learner centric environment.

**The Practice:**

Use of video conferencing tools and Desmos app. College conducted online Yoga sessions for students during covid 19.

**Evidence of Success:**
